Question1
****
```
SELECT * from match_details
INNER JOIN [Soccer Country]
on match_details.team_id=[Soccer Country].[country_id]
WHERE match_no=1
```
****
Question2
```
select team_id FROM match_details
WHERE match_no=(select MAX(match_no)FROM match_details)
and win_lose='W'
```
****
Question3
```
SELECT match_no from match_mast
where audence=(select MAX(audence)from match_mast)
```
****
Question4
```
SELECT country_name,goal_score from match_details
INNER JOIN [Soccer Country]
on match_details.team_id=[Soccer Country].[country_id]
WHERE (country_id=1214 OR country_id=1209) and
match_no=34
```
....
****
Question5
```
select country_name from match_mast
INNER join [match_details]
on match_mast.match_no=[match_details].match_no
inner join [Soccer Country]
on match_details.team_id=[Soccer Country].country_id
where match_mast.match_no=(select MAX(match_no)from
match_mast) and win_lose='L'
```
****
Question6
```
SELECT match_no,country_name,goal_score from
match_details
inner join [Soccer Country]
```

```
on match_details.team_id=[Soccer Country].country_id
WHERE decided_by='N'
****************
```

Question7
```
SELECT country_name from soccer_venue
INNER JOIN Soccer_city
on soccer_venue.city_id=Soccer_city.city_id
INNER join [Soccer Country]
on Soccer_city.country_id=[Soccer Country].country_id
```

....
